---

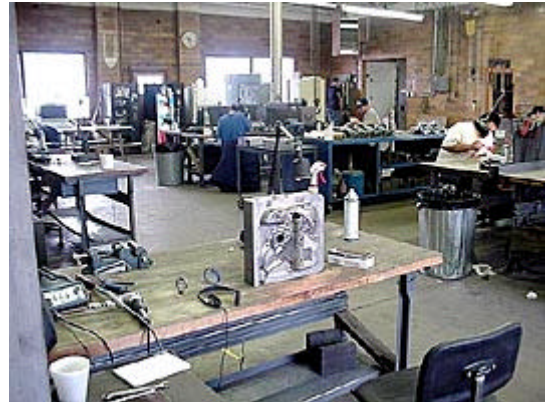

## **MOLD POLISHING SERVICES**

---

**Michigan Mold, Inc.** offers all types of fitting, benching, precision mold polishing, and diamond finishing, from the most intricate molds up to 40,000 pounds.

Our Polishing Department is managed by Josh Hudson, a master bench hand. He and the rest of our experienced staff are here to serve you with dependable on-time and quality work.

Please see the following pages for photos and more information about the services we offer. We look forward to discussing your specific needs!
